Authorised Vendors to remove access to Live data from non-subscribed organisations from 3 March 2014

Euribor-EBF have put in place an interim period from the 1st January to the 1st March 2014 to allow banks and vendors time to complete the subscription process and allow the granting of access on vendors systems.

This interim period ends on Saturday 1 March 2014. Euribor-EBF requires completed subscription forms and completed vendor permissioning information for the licence to be validated. If you have not completed both aspects please complete this and send the results to subscriptions@euribor-ebf.eu.

New subscriptions can be accepted, however due to the short timeframes till the cut-off date, Euribor-EBF cannot guarantee that disruptions to service continuity will not occur.
